## Aspirant Software Developer

📍 Cape Town, South Africa | 📞 069 468 1449 | ✉️ sizwe9574@gmail.com | 🎓 [4535058@myuwc.ac.za](mailto:4535058@myuwc.ac.za)

---

## Summary

Highly motivated first-year Bachelor of Science in Computer Science student with a passion for innovation and a strong academic record, particularly in **Mathematics** and **Sciences**. My goal is to leverage foundational programming knowledge and problem-solving skills to develop impactful solutions, learn from industry leaders, and contribute to cutting-edge projects that shape the future of technology.

---

## Education

### Bachelor of Science in Computer Science

University of the Western Cape | 2025 - Present

- Currently building a strong foundation in core computer science principles, including algorithms, data structures, and software development methodologies.
  - Developing essential problem-solving abilities through rigorous coursework and practical exercises.
- 

### National Senior Certificate

Matriculated December 2024

Subject	Achievement (%)	Level
Mathematics	87	7
Life Sciences	90	7
isiZulu Home Lang	91	7
English FAL	81	7
Life Orientation	93	7
Geography	86	7
Physical Sciences	78	6

---

## Technical Proficiency

**Languages:** Python (Basic) **Tools & Platforms:** GitHub, Visual Studio Code **Core**

**Competencies:** Debugging, Logical Thinking, Team Collaboration, Web Fundamentals, Problem Solving

---

## Experience & Activities

### FNB App Academy | *Participant (2024)*

- Participated in an intensive program focused on mobile application development and agile project management.
  - Collaborated effectively within a team environment to understand and contribute to the end-to-end tech product design lifecycle.
  - Gained practical insights into UI/UX principles and fundamental app functionalities within the financial technology sector.
- 

## Key Achievements

- Consistently achieved distinctions in demanding subjects including **Mathematics**, **Sciences**, and **Languages** during National Senior Certificate.
  - Selected as an attendee for the highly competitive **Amazon Tech Career Day 2025** in Cape Town, indicating early recognition of potential.
  - Proactively sought and gained valuable early industry exposure through participation in the FNB App Academy.
